

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 8, 1996

SUBJECT: **SB 2109 - HB 2743**

This bill, if enacted, will delete the portion of the law that allows certain county officials to petition the courts for salary or personnel increases. Such officials will be required to present their requests to county governing bodies.

The fiscal impact from enactment of this bill is estimated to be a decrease in local government expenditures which assumes fewer court costs as well as fewer salary and staffing increases being granted. Such decrease cannot be determined but is estimated to exceed \$100,000 if several counties realize savings.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
